### HOUSE HIGHLIGHTS

- This was a home addition as well as a renovation of the existing main and second floor.
- A 500 square foot primary suite was added to the main floor
- A 2 stall garage was added
- Beautiful custom finishes throughout
- Existing dining and living room walls were removed, providing a large open concept
- The exterior was updated with new roofing and siding as well as many new features
- Original charm of the home remains, with a new fresh look and feel
