HOUSE HIGHLIGHTS:

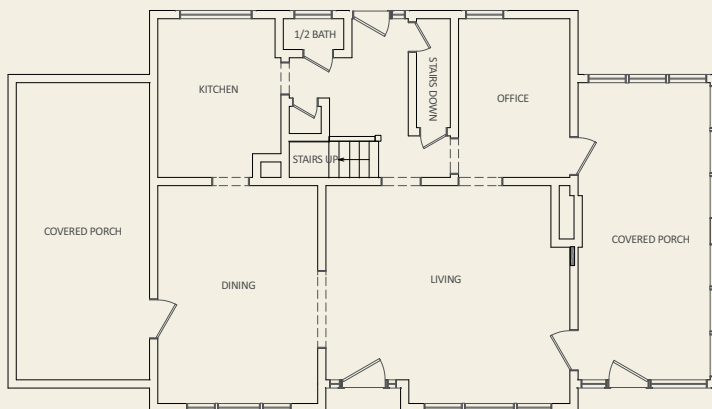

- This was a home addition and renovation of the main floor
- An additional 400 square feet was added to the space!
- North exterior porch was added to the interior of the home and is now a large kitchen and pantry
- South porch was added to the interior of the home and is now a spacious sunroom
- Original kitchen space was removed and is a laundry room and bathroom
- Doorway between kitchen and dining was opened up for a wonderful open concept
- Doorway between the sunroom and living room was widened to create a large entertaining space
- Beautiful custom finishes throughout
- Original charm of the home remains, with a new fresh layout!
